

Řetězárna a.s.[®]

DECLARATION OF INCORPORATION OF PARTLY COMPLETED MACHINERY

(in compliance with Directive 2006/42/EC)

Number: 2/2010

Manufacturer and supplier: **Řetězárna a.s., company ID no. (IČO): 47672081**
Polská 48, 790 81 Česká Ves
Phone: 584 488 111

Subject of the declaration: **Short link chains for lifting purposes – for chain hoists – Grade 8**

The products described herein are designed to be used as lifting chains in chain hoists.

The manufacturer hereby declares that the products are component parts (partly completed machinery) pursuant to Directive 2006/42/EC and are in compliance with the requirements of this Directive. Appropriate technical documents have been prepared in accordance with Annex 7 section B of this Directive.

The subject of the declaration specified above is in compliance with the following documents:

Government order no. 176/2008 Coll., as amended, which specifies technical requirements for machinery

Harmonised standards:

<u>Document no.:</u>	<u>Name:</u>	<u>Edition:</u>
ČSN EN 818-1+A1:	Short link chains for lifting purposes – Safety Part 1: General conditions of acceptance	01/2009
ČSN EN 818-7+A1:	Short link chains for lifting purposes – Safety Part 7: Fine tolerance hoist chains – Grade T (types T, DAT and DT)	01/2009

Other standards:

ISO 3077 Short link chains for lifting purposes – Grade 8, calibrated, for chain hoists and lifting purposes

JIS B B 8812 Link chain for chain hoists

We hereby declare that on the basis of a justified request we will provide responsible authorities with all appropriate information

on partly completed machinery. Such information will be provided in written form. This provision of information shall not affect the intellectual property rights of Řetězárna a.s.

When used under normal conditions in accordance with the instructions for use and maintenance, the product is safe. The manufacturer has taken steps to guarantee the conformity of all products sold on the market with the technical documentation and with the basic requirements for products.

This declaration is not a guarantee of product parameters in relation to potential damages incurred by them.

The partly completed machinery (component part) specified above must not be commissioned until a declaration of conformity (in accordance with Directive 2006/42/EC) is issued for the whole machinery into which the component part is to be incorporated.

Ing. Vojtěch Dudek – manager of technical preparation for production, Řetězárna a.s., Polská 48, 790 81 Česká Ves (phone: 584 488 138), commissioned to prepare technical documentation

Česká Ves, 1 January 2010
